Principal’s Message

The last newsletter for the term and although it has been a very busy term we ended with a great high note in that our school production was very well received by the school community. The staff, students and many parents have been working very hard over the last term to ensure that not only have the students had a fun time, but also a rewarding one in terms of what they have learnt. I’d like to thank all of the staff who have worked on the show from everyone in the office, to those who helped with costuming, to Mr Castle, teachers who minded students in the holding rooms and teachers who made the production work with lighting, sound and stage management. All great events require a leader and I’d like to take this time to thank Mrs Buckley for her leadership and direction of the show. We all know she has a lot of energy and commitment but this time she really excelled.

A reminder that the two surveys that were sent home can be sent into school early next term.

I wish everyone a great holiday break with their children and look forward to the start of next term on Tuesday, 7 October.

Ian Millard, Principal

The sun comes out for another win for the PSSA boy’s Touch football team!

Even though the boys were players down they didn’t let that stop them! The boys played with heart and confidence. Each team member stood up to the challenge and beat Cambewarra 5-4, going into extra time. A huge thank you to the parents who came to support us, your presence and help was greatly appreciated. Great job boys! Best wishes for the next game against Gerringong!
Assembly

There will be two assemblies on Monday 13th October. The Infants assembly will take place in the school hall and commence at 12 noon and be hosted by KR.

The Primary assembly will commence at 1.50pm and be hosted by 2/3R.
